**Scene 1: Earth Denny's**

Setting: A dennys in some rando florida town

(fam is sitting in a booth at denny's sharing a single foul looking iced coffee. They are counting loose change on the table)

FURRY1

Man if we find 6 more cents we can afford to share one patty melt!

FURRY2

Actually you would have to calculate the tax as well. You would know this if you were a mensa member, like I am.

(Richard-chan enters)

FURRY2

Why hello, fair maiden.

RICHARD-CHAN

U-um excuse me.

FURRY 2

excuse me dame, Is the water here free? If so I would like a glass please. And if you want to spit in it... I won't complain

RICHARD-CHAN

I-I'm not a waitress... I'm actually a police officer...

SPACE GRIL

Ew. #acab.

RICHARD-CHAN

I'm going to have to ask you guys to leave. We've received several calls from the management and customers at this Denny's location over the last few days.

FURRY 2

Madam, I know my constitutional rights. We are not doing anything illegal. Do you have a warrant?

RICHARD-CHAN

There are literally drugs on the table.

FURRY 2

What!! That is preposterous!?! I have never done a drug in my life!!!- not even caffeine! I used to hide my ritalin under my tongue every morning before school and stuff it into a hole in the seat on the bus!!

FURRY 1

Hey speak for yourself man, I do drugs all the time. These valiums are perfectly legal, officer. My cousin got them from her doctor.

RICHARD-CHAN

Um-

SPACE GRIL

Bb, why don't you come chill with us? You can buy us breakfast.

RICHARD-CHAN

U-um. No thank you. Just please get out of here soon?

(SPACE GRIL blows vape smoke in RICARD's face)

FURRY 2

Safe travels, ma'am.

(RICHARD CHAN EXITS)

FURRY 1

Aw heck, where are we gonna loiter now?

SPACE GRIL

And where are we gonna sleep?

FURRY 2

Hm.. Denny's is the only family chain restaurant in the galaxy we aren't banned from.

FURRY 1

What about that Friendly's on mars?

FURRY 2

We got banned because you spilled your ant farm on an 8 year old's birthday party.

FURRY 1

oh.

SPACE GRIL

We just gotta go to space denny's fam. \*vapes\*

(fam gets in 1999 honda civic and drives off.)

**SCENE 2: lit ass space montage**

SPACE GRIL (Driving)

Yo, do we got any bud?

(FURRY 1 hands her an altoid tin with some crumbs and stems in it and a crusty plastic bong)

SPACE GRIL

wtf did you smoke it all we just got this yesterday

FURRY 1

I have a high tolerance.

SPACE GRIL

Fuck, man. I can't go sit in a denny's for 10 consecutive hours while sober.

FURRY 1

Hold on, let me call Tody.

(split screen. Tody is chilling at his mom's house. Trap music is blaring)

TODY

Moshi moshi motherfucker it's tody!!

FURRY 1

Hey tody, what's up man? You got any bud?

TODY

Yeah bro, roll thru.

(Split screen ends. Fam drives through space.)  
\*lit ass space travel montage\*

**SCENE 3: drunk bees**

**Setting: Tody's Mom's house**

TODY

sup fam, come meet my mom!

(HAMSTER briefly enters, squints, then exits)

FURRY 1

Oh shit tody, was that the drug lord hamster from that vice documentary?

TODY

Haha yeah.

(CRYSTAL enters)

CRYSTAL

Hey Tody, did you know that if a bee gets drunk and then tries to go back to the hive the guard bees will punish her by chewing her legs off.

TODY

Uhhh no. I did not know that.

CRYSTAL

yeah apparently it's like against the law to get drunk in their society. they're like prohibitionists or whatever.

TODY

Dope.

CRYSTAL

yeah and i like weirdly relate to the drunk bees tbh. like i feel like that's me. y'know like i relate to being persecuted for just wanting to live my life- oh wow sorry, who are your weird friends?

TODY

Oh this is furry 1, furry 2, and space gril. They're chill, don't worry.

SPACE GRIL

Tody, where's the weed? We're late to go loiter at space denny's.

(TODY hands them a sus dime bag that looks rancid af)

SPACE GRIL

Bitch what is this?

TODY

Uh- it's a totally legit new strain they grow out in space cali. It's fire, trust me.

CRYSTAL

I literally just saw you sell that k2 to those teenage girls. They are sitting in the bathtub drawing runes on the wall with their own blood.

TODY

Okay, fine. tbh i'm out of weed. i sold it all to a space frat party yesterday. one of the frat guys bullied me in high school so i was a little scared and turned on so i just sold him my whole inventory.

SPACE GRIL

So we drove out here for nothing? I'm gonna have to call my grandma for gas money again.

TODY

i do have something actually. you guys gotta keep hush hush about it tho. it's this new cook the hamster is working on. it's still in it's experimental phase but i can tell it's gonna be rly fire. Come let me give you a sample.

FURRY 2

You junkies go without me. I'm going to sit in the corner and read Greek philosophy because I am extremely intelligent.

HAMSTER

For the last time, you little shits need to stop coming down here to cry,! oh Tody, it's just you. I thought it was those damn teenagers again!

TODY

Hey Jarod, these are my friends.

SPACE GRIL

The hamster's name is Jarod?

FURRY 1

Hello hamster drug lord sir, it is an honor to meet you. Do you think you could introduce me to hamilton morris? I have some fresh ideas for his show. And I am very honored to try your new product, sir.

HAMSTER

Tody, I told you you need to shut your stupid little mouth about my new cook. How do you know they aren't cops?

FURRY 1

Oh shit, he's right. How do we know we're not cops? What if I'm a cop and I forgot because I'm too high???

TODY

Don't you need guinea pigs- I mean product testers- you know, to promote optimal customer satisfaction?

HAMSTER

Okay, okay. But you have to pay up.

SPACE GRIL

We don't have money but we have Bella Sara trading cards.

HAMSTER

Do you have Donna? I need Donna to complete my scrapbook.

SPACE GRIL

No but I have some foils.

HAMSTER

Deal.

(HAMSTER hands them a strange crystal. Furry 1 snatches that shit up and snorts it all in a frenzy then starts making goblin noises)

SPACE GRIL

Dude! Not again!

(end scene)

**SCENE 4: plato**

SETTING: party, FURRY 2 is standing in the corner holding a book upside down. RICHARDCHAN approaches him)

RICHARDCHAN

H-hi. I was just looking for a corner to sit in. I have never understood parties. I prefer to be alone.

FURRY 2

Well you're going to need to find somewhere else. I am standing here.

RICHARDCHAN

I like your hat. It's refreshing to see a man wearing something classy.

(FURRY 2 ignores her and looks disgusted. RICHARDCHAN moves in closer)

RICHARD-CAHN

Oh wow! Are you reading plato? I love his theories on morality.

FURRY 2

I assumed most people here aren't intellectual enough to understand this level of philosophy, let alone a woman.

RICHARD-CHAN

Well I'm just different I guess, and I sense that you are too.

FURRY 2

Yes. I have always felt like an outsider in this world of ignoramuses. I'm a freethinker. My dad always told me no one likes me because I'm an ubermensch so i developed a superiority complex despite the fact that i pooped my pants until i was 25 years old.

(he still poops his pants)

RICHARDCHAN

I've always felt like no one understands me too. although, i'm not as smart as you are.

FURRY 2

Of course not, women naturally have smaller brains.

RICHARD

Hey, Can I tell you something?

FURRY 2

What!? Are you about to give me female attention!? Oh I am giddy with excitement!

RICHARDCHAN

Ever since I saw you at that Denny's I knew you were the one for me.

FURRY 2

OH mY!! You are the lady cop from denny's!! I did not realize as I have poor facial recognition!!! I would like to have my solicitor present immediately!!!

RICHARDCHAN

No! It's not like that!!

FURRY 2

Women never pay attention to men unless they are after their money or their seed! I will never hand over my superior sigma genetics to a gold digger! I demand to see my lawyer!!

RICHARDCHAN

I promise I'm not like those girls!!Here, I want you to have this- consider it a peace offering.

(Richard-chan puts the flower in furry 2's hat and he jizzes from her merely touching his fedora)

FURRY 2

aaaoagoidererrgg oh no i have prematurely ejaculated... no woman has ever touched my fedora before..

RICHARDCAHN

I- I want you to kiss me... space captain.

FURRY 2

Oh my? I-is this consent. How you harlets speak in riddles! I refuse to submit to your temptations before you sign this NDA!

(They share a slobbery amateur kiss)

RICHARDCHAN

mmm i love the way you drool down my throat it tastes just like frozen tv dinners!

(END SCENE)

**SCENE 5: feast**

**SETTING: Tody's kitchen. Furry 1 is writhing around and chewing on his limbs and making goblin noises.**

FURRY 1

I am so honored to be a part of this ritual sacrifice! i cannot think of a greater honor to give my flesh and blood to the Gods! Please! place me upon the altar! cut my heart out and feed it to the goddesses! (he grabs a kitchen knife and hands it to tody)

TODY

uhhh are u okay bro?

FURRY 1

you must consummate this sacred rite! you must bring balance to this uncleanly world! cleanse this impure earth with my blood! let it flow like a river, let it burst like a geyser from my veins and water the flowers of joy and peace!

HAMSTER

You know what. I don't wanna see this shit. I'm going to 7/11 to get juul pods and a slushy.

(HAMSTER EXITS)

TODY

Yo! Pick me up some taquitos!

FURRY 1

FEAST! hear me, great Goddesses! Feast upon my heart! Accept my mortal body as offering! You must do it, tody! Pierce my flesh with your dagger!

TODY

Okay man, if you insist.

(TODY raises the knife to stab furry 1)

SPACE GRIL

Dude stop! He's totally wiggin' out. We gotta chill him! maybe he needs more weed.

TODY

Oh. sure, I'll go get Crystal, she's an empath.

(TODY exits)

FURRY 1

FEAST! FEAST UPON MY FLESH! DRINK! DRINK MY BLOOD!

(CRYSTAL and TODY enter. CRYSTAL waves her hands over furry 1)

CRYSTAL

Ommmmmmmm it appears he has a huge blockage in his heart and throat chakras due to his parents invalidating his experience, causing him to repress his emotions. I'm gonna need my amazonite and rose quartz.

(CRYSTAL rummages through her tote bag and gets out crystals and sage. She hands the sage to TODY and he lights it up like a j)

CRYSTAL

Okay, like I'm going to need you guys to like try to hold him down. I have some BDSM gear in my bag we can use to tie him up!

(END SCENE)

**SCENE 6: primal urges**

**SETTING: Tody's Mom's room** Tody's mom is watching an extremely violent crime show in her bed. She is hooked up to an oxygen tank and also chain smoking marlboro lites.

FURRY 2

Mmm bb take off your shoes i need to sniff them socks

RICHARDCHAN

Wait, but there's an old lady in here-

FURRY 2

Oh that's just Tody's mom. Lovely woman.

TODY'S MOM

(coughs and heavy breaths)

FURRY 2

She won't notice, trust me. We can do it on Tody's bed.

(FURRY2 gestures towards a dog bed on the floor)

RICHARDCHAN

U-um. This doesn't really feel right. But I just want to please you so I'm gonna go against my gut feeling...

FURRY 2

Hurry woman! My primal urges are about to take over!

RICHARDCHAN

Well, I guess this is a lot better than where my girlfriends from high school lost their virginities.

FURRY 2

You are so unique and special, richard. other women are so vapid and immature, but not you. i can actually connect with you on an intellectual level. now it's time for us to connect on a physical one hehe

RICHARDCHAN

That's exactly what I wanted to hear omg! I'm ready! Take me now! I'm unconquered pagan land waiting to be colonized!

RICHARDCHAN

Mmmm let me dock my ships on your shores fair maiden! I love the way you talk dirty!

RICHARD

I'm a dirty, dirty heretic that needs conversion!

FURRY 2

(Growls) And I'm a templar knight going to conquer you with my jousting pole!!

RICHARDCHAN

Wait. Do you have um- protection? My dad won't let me go on birth control even though the doctor recommended it for my debilitating hormonal imbalance.

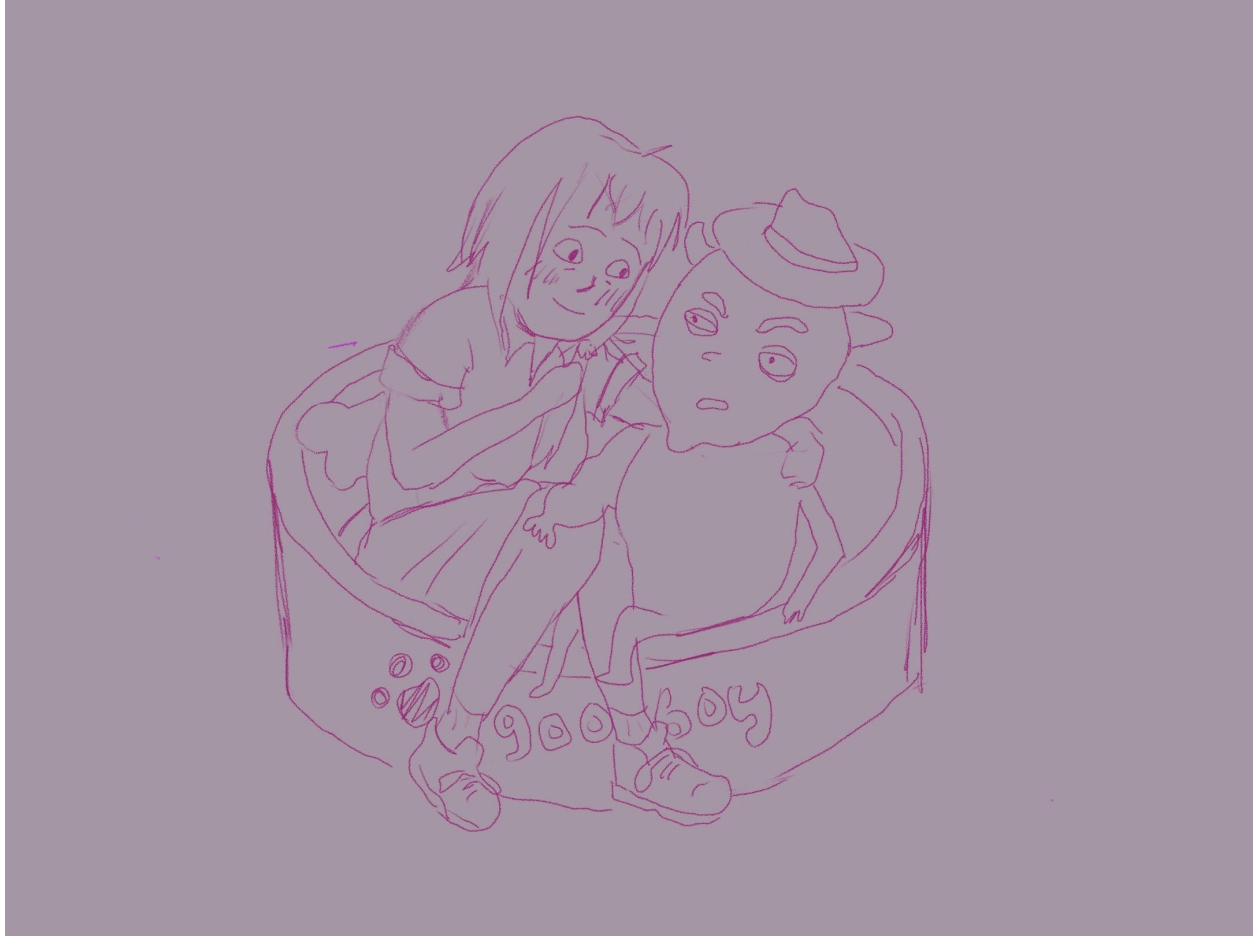

FURRY2

contraceptives go against my traditional values. I only fornicate for procreation.

RICHARDCHAN

Hmmmm... well... okay... You know what, Impregnate me! Siege these castle walls, my lord!

(FURRY 2 growls louder)

**SCENE 7: disillusionment**

**SETTING: party idk. Furry1 is beginning to glow getting reiki.**

(Loud Knock)

DICK DUCKERS

DICK DUCKERS

FURRY 1

DICK DUCKERS

DICK DUCKERS

DICK DUCKERS

SPACE GRIL

Oo daddy dom

FURRY1

Prison is a state of mind. The only prison I'm in is samsara.

DICK DUCKERS

Listen here you homosexual beatnik hippy punk-

FURRY1

Me and my friends are just gonna leave now. Have a nice day.

(FURRY1, CRYSTAL, TODAY, and SPACEGRIL exit calmly)

DICK DUCKERS

LITTLE BABY DICKY BOY

(LITTLE DICKY takes DICK (vibrating and malfunctioning) by the hand and leads him off screen)

**SCENE 8: ramboo**

**SETTING: Tody's mom's room**

(DICK busts down the door with a juicebox in his hand)

DICK DUCKERS

LA SPACE PD PREPARE TO DO SLAVE LABOR IN FEDERAL PRISON

FURRY 2

DICK DUCKERS

Great, you ruined my daughter and now you're teaching her PC critical race theory bullshit!!!

FURRY2

Actually sir, i believe in free speech!

DICK DUCKERS

Now she is worthless in the sexual economy!!! Richard-chan you know we aren't rich enough to increase your dowry! Your only value was your precious virginityee!!!

FURRY2

I assure you sir, this was an entirely consensual and good faith sexual experience.

DICK DUCKERS

I will destroy you like you destroyed my daughter's innocence!

RICHARD CHAN

Dad, i'm 25!!

DICK DUCKERS

You're supposed to tell people you're 17 so they don't know you've hit the wall, i thought you learned this in finishing school!!! Go to your room, richard. You're grounded!!! Now let me take care of this illegal alien scum!

RICHARD-CHAN

But Daddy, I love him!

DICK DUCKERS

HIIIIYAAAAAAAA THIS IS FOR AMERICA!!! I'M GONNA RAMMBOO YOUR SJW ASS!!!!

(DICK tazes FURRY 2)

FURRY 2

Uuel skjg uughgh This is species profiling!!! I know my rights!!! I'm a member of MENSA!!!!!!1

DICK DUCKERS

Dicky boy! Go search him!

LITTLE BABY DICKY BOI

All he has on him is an expired adult learner's permit.

DICK DUCKERS

Sounds like a criminal to me.

(END OF SCENE)

**SCENE 9: we forgot furry 2**

**SETTING: honda civic interior**

(fam is screaming all together some emo song)

SPACE GRIL

Guys wait, i feel like something is missing..

FURRY1

Hm. you're right i haven't heard an atlas shrugged quote in almost an hour...

SPACE GRIL

Omfg we forgot furry 2 lol

FURRY1

Oh true

SPACE GRIL

Should we like go get him or something.

CRYSTAL

I'm not sure if I get a vote as I am new to this group and it's politics but can i just say we should just leave him behind because i don't think he contributes positive energy.

SPACE GRIL

Damn we're also almost at denny's... but idk if we can leave a homie behind like that.

CRYSTAL

Again, speaking as a newcomer, but I was never under the impression that you guys were even friends.

SPACEGRIL

but we met him during our court ordered community service... that shit bonds people for life.

FURRY1

Yeah and doing drugs in the denny's parking lot just doesn't feel the same without furry 2 telling us he's straight edge every 5 minutes.

SPACEGRIL

True. And how are we gonna have orgies in public bathrooms without a freaky ass dude like him sitting in the corner watching.

FURRY1

He was the only dude freaky enough to go to an orgy sober... i can't even do missionary without taking 6 tabs of ecstasy(cries)

(a moment of silence in the group)

Oh man I just found 6 cents in the seat!!! Now we can afford that patty melt!!!

SPACE GRIL

let's gooooooooooooo

(fam resumes screaming emo song)

### **SCENE 10: daisy buchanan**

Cut 2 furry 2 in space jail orange jumpsuit but they let him keep his fedora crusty space criminals are in there

FURRY 2

I've decided I am going to represent myself in court. I highly recommend you gentlemen do the same. You can't trust the charlatan phonies the government appoints.

(SPACE CRIMINALS STARE AT HIM SILENTLY)

FURRY 2

As a member of MENSA, I am able to understand the complexities of law. If you didn't know, which you probably didn't, MENSA is the society for individuals of high IQ.

(RICHARD-CHAN enters)

RICHARD-CHAN

My love! I've come to get you out of here!

FURRY 2

Hmm... typically I would be against this reversal of gender roles, but let's go!

RICHARD-CHAN

But once we leave this cell, we can never go back! We have to elope.

FURRY 2

Where will we go?

RICHARD-CHAN

D-don't you have your own place?

FURRY 2

Yes I have a house in the suburbs of Fairfield Connecticut. Well, technically it's my parent's.

RICHARD-CHAN

Oh. Okay..

FURRY 2

What are you waiting for, wench. Let's get out of here! ... you have a car right?

RICHARD-CHAN

We can take my cruiser. This is so romantic. Wow this feels so crazy, I'm finally having the rebellion phase I missed out on in adolescence! I've never disobeyed my father before!

(cut to RICHARD-CHAN driving with FURRY 2 sitting in the back seat)

RICHARD-CHAN

(speaking quickly) I was thinking I want a really traditional wedding, but then the reception could have a cool fun theme, like underwater or a gatsby party! My prom theme was gatsby but daddy didn't let me go because he said I would get "teenage pregnant with a crack baby"... I could be a posh socialite like Daisy Buchanan and drink martinis- my dad never let me drink because it "makes women loose" like my mother. But my dad isn't here anymore! I can do what I want!

FURRY 2

Firstly, Daisy Buchanan is a vapid gold digging leech. And I will not have any woman of mine drinking alcohol.

RICHARD-CHAN

What venue should we book for our wedding? Can we go to Cancun? Actually my dad told me that Cancun is filled with cartel criminals that will sell you to human traffickers. Or maybe we can go to Niagara Falls? Hm, actually i heard niagra falls was ravaged by environmental destruction... We could go to the space reconstruction of niagara falls though!

FURRY 2

Not on my dime.

RICHARD-CHAN

Oh. Well, did you have any where in mind? I just thought that we could make it really romantic.

FURRY 2

I know just the place. Take a right up here.

(They pull up to space denny's)

RICHARD-CHAN

Oh. Space Denny's? It's... spontaneous...

FURRY 2

Oh look! My friends are already here!

(FURRY 1 gets out of the car and runs inside, we see RICHARD-CHAN sitting in the car for a minute before slowly getting out and entering Space Dennys)

**SCENE 10:**

**SETTING: SPAACE DEENNYSS LETS FUCKIGN GOOO.**

(FURRY 1 is arguing with the worker about the price of the patty melt)

FURRY 1

(spills his coin pouch on the counter)

MATTHIAS

Listen man, I appreciate your determination to get a patty melt but this just isn't enough money.

FURRY 1

But I have the exact amount that is listed on the menu.

MATTHIAS

Yeah, but that doesn't include the space tax, which just got raised to 40%. I guess I could be one of those nice people that could pay the difference with the tip jar, but I'm afraid that could set a precedent. Dude, I get paid two dollars an hour and I need to buy weed and video games.

FURRY 1

Damn.

(FURRY 2 and RICHARD-CHAN enter)

FURRY 2

Fear not, my friends, I have arrived strong-willed and unharmed!

(RICHARD walks 5 feet behind FURRY2)

(FURRY 2 and RICHARD-CHAN sit at the table with the gang.)

FURRY 2

Hello Mr. Waiter Sir, we would like a round of patty melts for everyone. It is a joyous occasion today, for I am getting married. And don't worry about the check guys, my girlfriend is paying.

SPACE GRIL

You have a girlfriend?

FURRY 2

And after tonight, I will have a wife!

SPACE GRIL

You're marrying that cop? wtf, #acab

FURRY 1

Yeah, man wtf you can't just marry a cop.

MATTHIAS

Oh dude, not cool, not cool.

FURRY 2

Wow, I didn't realize that my best friends would be such haters! Richard-chan and I are getting married tonight no matter what! I am so close to getting on her dental plan and you guys are ruining this for me! I have chronic halitosis from my 6 cavities!

RICHARD-CHAN

Don't let them stop us, baby! Our love is too strong to be torn apart by a couple of sheeple! Waiter, can you officiate us?

MATTHIAS

if you give me 50 bucks, sure.

FURRY 2

You heard him, open up the wallet, you bird!

FURRY 1

wait... she's not a bird... but her whole family is birds... but she's human... hmm.

(cut to the wedding, the alter? Is the dennys host podium thing, Richard-chan is wearing a napkin on her head. They are in the middle of saying their vows)

RICHARD-CHAN

Furry 2, It has only been 6 hours since our first conversation in that corner. (begins to cry) I don't have any experience dating, and the only men I've ever talked to are my brothers. Everything I know about gender dynamics comes from princess movies. I don't have much experience outside of my small republican neighborhood. I have to ask my father's permission to go outside- he always says no and that's why I don't have any friends to challenge my extremely sheltered viewpoints, but I digress, I love you furry 2. No one has ever demonstrated to me what love looks like, but I know I love you.

FURRY 2

Richard-chan, you are the only girl who has ever shown me attention. You might only be a 1 out 10 and, it may be hard to ignore that your name is Richard and not something feminine and

submissive like Lolita, but I would love to be on your health insurance. I can't wait for you to be my practice wife.

MATTHIAS

Uhhhh... wow... Those are some uh, interesting vows. Okay. Let's get this over with. Furry 2, do you take Richard-chan to be your wife?

Furry 2

Wait, I forgot to make her sign this prenup!

(FURRY 2 pulls out a napkin with stuff scrawled on it)

RICHARD-CHAN

Anything for you, darling!

(RICHARD-CHAN goes over to sign and the laspacepd enters. DICK DUCKERS enters with a gun in his hand)

DICK DUCKERS

Richard! Don't sign that extremely legally binding looking document!

RICHARD-CHAN

No Dad! I am finally living my life and you can't stop me!

DICK DUCKERS

What!?!? YOU cant just say no to your fatheerreeerrrrree!!!1212

RICHARD-CHAN

Yes I can! You don't own me! I'm my own person and I can live my life however I want!

DICK DUCKERS

Jesus Ronald Reagan Christ!!!! Of course my daughter is my property brrrrrbrbrbro opoopoejaldkj I can't comprehend that my children aren't an extension of myself aljglkfdjg aalkdj

(DICK malfunctions again and falls over)

DICHARD

Oh no Dad is having one of his attacks again! Someone get us a blender and a funnel, he needs Daddy's special smoothie!!

(RICARDO returns from the kitchen with a blender and funnel)

DICHARD

whole milk.... Prunes.... shake and bake chicken! Here we go!

DICHARD

DOWWWwnn the hatch!!!

(DICK powers up. His eyes begin to glow he points at furry 2)

DICK

You! I challenge you to a duel!!

FURRY 2

A duel? I have no choice but to accept with honor. This one is for you, Ayn Rand.

(FURRY 2 pulls out a katana idk where from but whatever and dick pulls out his gun and starts shooting everywhere. Then they sword battle but with a gun and a katana idk?)

DICK DUCKERS

I will crush your dreams, you lecher!

FURRY 2

I will crush your daughter's dreams! (grunting)

DICK DUCKERS

JOkes on you, she has no dreams, I already crushed them during early childhood! (heavy breathing)

FURRY 2

Good! She wouldn't be interested in me if you hadn't!!

DICK DUCKERS

Why you little liberal!!

(FURRY 2 suddenly stops in the middle of their duel)

FURRY 2

What did you just call me? I won't stand for being called a libcuck! I am a libertarian!

DICK DUCKERS

A librarian? Speak English, the language the bible was written in!

FURRY 2

Here, look! My political compass test..I carry it around everywhere I go!

(He hands DICK DUCKERS a paper)

DICK DUCKERS

Hm. I don't understand this chart but I will pretend I do because I blindly accept whatever MSPaint infographics I see posted on facebook.

FURRY 2

It means I hate taxes and feminists.

DUCK DICKERS

Gee Golly! I hate taxes and feminists too!

RICHARD-CHAN

Dad, taxes pay our salaries-

DICK

Shut up Richard. This is a conversation between men.

FURRY 2

Yeah, Richard. Your tiny female brain can't comprehend economics.

DICK DUCKERS

Wow you really know how to put Richard in her place! Maybe you wouldn't be a bad husband for her after all, it's too bad you're a mexican drug lord..

FURRY 2

Sir, this is a huge misunderstanding. I have a clean criminal record, besides that indecent exposure charge in 2004. And I am extremely against drugs, because I am a MENSA member and drugs are for idiots. And I can't possibly be Mexican because I like my chicken baked and unseasoned and I am from a redlined neighborhood in western connecticut.

DICK DUCKERS

Wow. I'll be darned, maybe it is time for richard to get married. She is 25 after all, so her womb is about to go barren. It makes me feel better that I'm handing her over to a man that will keep her female hysteria under control and not some hipster. Now get on with this here wedding!

RICHARD-CHAN

Aww Daddy, Can you walk me down the aisle?

DICK DUCKERS

Hell no! I have to get home to watch the 3am reruns of two and a half men! C'mon Dichard!

(DICK and DICHARD exit)

RICHARD-CHAN

Where did the waiter go, we were never officiated?

SPACE GRIL

Oh he left. Tbh that whole thing kinda freaked me out. Can I go home now?

FURRY 1

Can I have a ride?

SPACE GRIL

Yeah.

(SPACE GRIL and FURRY 1 exit)

(Cut to the parking lot, FURRY 1 and SPACE GRIL are standing on the curb)

SPACE GRIL

Do you wanna just go to a different Denny's?

FURRY 1

Yeah let's go.

(SG N F1 EXIT)

CRYSTAL

Richard, can I just say that as someone who has also grown up in a narcissistic family dynamic, I can actually deeply empathize with you. I used to be delusional just like you. I want you to

know that you don't have to make yourself small for men. you deserve to be respected and loved. Please come to my yoga class on Thursday nights, the women there are an amazing support network, which I think you need.

FURRY 2

Sorry I'm an atheist, so Richard won't be going to yoga. She has Wife Training School on Thursdays, anyway. We should be going now, I have really bad blue balls from that extremely masculine fight I had earlier; combat gives me hard-ons. Come Richard, let's go make sexy time on the water bed in my parents basement.

(RICHARD and FURRY 2 start to exit)

CRYSTAL

(As they walk out) The space-national domestic abuse hotline number is 800-799-7233!

**Scene: ???**

(In a different space denny's)

FURRY 1

I'm thinking of getting a job and saving money so I can live in the countryside someday and raise goats and chickens. Not to subjugate them for meat or produce or anything, just to be my friends. I just wanna chill the fuck out, quiet my mind, get sober, y'know. While I was tripping everything became so clear to me.

SPACE GRIL

(vapes)

FURRY 1

I realized that I'm sick of living like this. I tell myself I do drugs because it's fun but it's not fun anymore. I do drugs because I'm angry. And I don't want to be alone with that. But when I was tripping on Jarod's shit, no one else was in the room. Just me and my anger. My anger towards my parents, towards the system, towards myself; It was all I could see. I was finally alone with it and I just wanted to destroy it. Now I see that you can't destroy your feelings. You can only transform them.

SPACE GRIL

That's some powerful shit man.

(there is a moment of silence)

SPACE GRIL

I wanna be a twitch streamer tbh.

FURRY 1

Follow your dreams, dude.

SPACE GRIL

You too, man.

FURRY 1

Yeah. I don't know how to make a resume though.

SPACE GRIL

Just make shit up. Or you should ask tody for help. He has a degree in business.

FURRY 1

tody went to college?

SPACE GRIL

Yeah he went to UMass.

FURRY 1

Hm.

(They sit and peacefully sip their iced coffee for a moment in silence.)

(this drawing made me start to ship furry1 and space gril :3)  
**scene?????**

(FURRY 2 is grunting over richard. Richard is wearing aliexpress cat ears. He is pressing richard's face down with his hand as he watches a laptop screen with deviantart hentai on it. extremely menacing david lynch music is playing as the water bed sloshes. He finishes and gets up)

FURRY 2

hasta la vista my good senor

(furry 2 walks out and richard cries on the bed)
